RIOT LESSON 1: EMBRACE THE POWER WITHIN YOU

LEARNING INTENTIONS	SUCCESS CRITERIA
Students will: • Understand our school's reasons for undertaking RIOT. • Know a definition of wellbeing, and resilience. • Understand how anxiety can develop.	**Students will be able to:** • Explain why their school is doing the RIOT project. • Give a definition of wellbeing and resilience. • Explain how anxiety can develop over time.

EXERCISE 1 WELLBEING

The World Health Organisation (WHO) defines mental health as a state of wellbeing that enables a person to cope with the stresses of life, realise their abilities, learn and work well, and contribute to their community (2022).

What does mental health mean to you? How do you know you are in good mental health?

What are the signs that someone is looking after their mental health?

EXERCISE 2 RESILIENCE

A tree with strong roots can withstand the most violent storm, but the tree can't grow roots just as the storm appears.

What is your understanding of resilience? What are some words or phrases that are connected to the idea of resilience?

What are some of the things that could make your roots stronger and make you a more resilient person?

EXERCISE 3 ASPECTS OF RESILIENCE

Aspects of resilience I'm good at.

Aspects of resilience I might need to work on.

EXERCISE 4 SIGNS OF LOW RESILIENCE

Sort each sign of low resilience.
